The Story of the Picnic

One day, a large crowd followed Jesus because they wanted to hear Him teach and see His miracles. Jesus cared about them and wanted to feed them, but there was no food nearby.

A boy had five small loaves of bread and two fish, but that was not enough for so many people. Jesus took the food, thanked God, and started breaking it into pieces. Miraculously, the food never ran out!

Everyone ate until they were full, and there were even 12 baskets of leftovers!

3 Things to Remember
