The Story of Two Houses

Jesus told a story about two builders. The wise man built his house on a strong rock. He worked hard and dug deep to find the rock for his foundation.

The foolish man built his house on the sand. It was quick and easy, but the sand was soft and could not hold the house up for long.

Then the rain came down, the streams rose, and the winds blew and beat against both houses. The house on the rock stood firm, but the house on the sand fell down with a great crash!

Jesus said that people who hear His words and do them are like the wise builder. Their lives are strong and safe, built on Jesus, the Rock.
